

## SUPPORT STEELHEAD CONSERVATION WITH A NEW LICENSE PLATE

Before the state Legislature can consider the proposal for a special license plate featuring a steelhead, state law requires WDFW to show that people intend to purchase at least 3,500 plates.

Funds generated by the sale of the plates will be used to help support activities critical to conserving populations of native steelhead.

Submitting a signature is not an obligation to buy a plate.

Please mail all signatures to the address below:
